Scam Alert for Accredited Health Care Providers and the General Public

It has come to PhilHealth's attention that certain dishonest entities are pretending to be PhilHealth employees, misleading and deceiving healthcare providers (HCPs), including health facilities (HFs) and healthcare professionals (HCPs), into paying accreditation fees through GCash and other online payment platforms.

We are issuing this Advisory to alert all HCPs and the general public about this ongoing fraudulent activity. Please be reminded of the following:

- All HCPs applying for accreditation are not required to pay accreditation fees. Instead, accredited HCPs are required to be registered as PhilHealth members with updated premium contributions.
- As PhilHealth members, HCPs may settle their premium contributions with the Cashier Unit of any PhilHealth Local Health Insurance Offices (LHIOs) or at any of the PhilHealth Accredited Collecting Agents (ACAs) nationwide. For the complete list of ACAs, kindly visit <https://www.philhealth.gov.ph/partners/collecting>.
- All HFs applying for accreditation may settle their accreditation fees with the Cashier Unit of any PhilHealth LHIOs.

No Filipino student hurt in deadly Prague shooting

MANILA – None of the six known Filipinos studying at Charles University in Prague were among the fatalities or wounded in a deadly shooting incident that killed 15 on the campus.

The Philippine Embassy in the Czech Republic said Friday it has ascertained that the six Filipino students are "safe and everyone is monitoring the situation closely."

Local reports said a student opened fire inside the philosophy department of Charles University on Thursday, with authorities yet to provide details on the motive for the shooting.

The embassy said Czech authorities have already declared the shooter dead and the situation contained.

The death toll is at 15 and at least 24 were reported in-

jured. "The victims' nationalities have not been publicly shared and Prague police contacts have stated that they will inform the embassy should any relevant developments involving Filipinos occur," the embassy said.

Meanwhile, it advised all Filipinos to avoid the immediate area of the shooting incident and to remain on alert.

The embassy said the Philippines joins the Czech and international expression of grief and dismay over the incident. (PNA)

Give 13th month pay before Christmas, DOLE reminds employers

MANILA – The Department of Labor and Employment (DOLE) reminded private sector employers to release the 13th month pay of their workers before Christmas.

In an interview Thursday, Labor Undersecretary Benjo Benavidez said the 13th month pay is mandatory pursuant to the Labor Code of the Philippines and Presidential Decree No. 851.

“May mga maliliit na negosyo ang umaapela (There are small businesses who are appealing) but 13th month pay is a legal obligation. Payment is the only remedy to extinguish a legal obligation. Covered employers are legally required to pay,” he added.

Those who are entitled to receive the payment are payment rank-and-file employees in the private sector regardless of their position, designation, or employment status, and irrespective of the method by which their wages are paid, provided that they have

worked for at least one month during the calendar year.

Employees who are also paid on a piece-rate basis, fixed, or guaranteed wage plus commission; those with multiple employers; those who resigned; those who were terminated from employment; or those who were on maternity leave and received salary differential.

Earlier, the DOLE issued an advisory on the computation of 13th month pay. It should not be less than one-twelfth (1/12) of the total basic salary earned by an employee within the calendar year computed as follows: total basic salary / 12 months = proportionate 13th month pay.

To monitor compliance, the Department directed em-

ployers to submit a report through the DOLE Establishment Report System not later than Jan. 15, 2024.

The report shall contain the name of the establishment, address, principal product or business, total employment, the total number of workers benefitted, the amount granted per employee, and the total amount of benefits granted.

For further queries on the 13th month pay, the public is advised to call DOLE Hotline 1349, which is available 24/7. They can also call or text 0931-066-2573, from Monday to Friday, 8 a.m. to 5 p.m.

Inquiries may also be sent via electronic mail to hotline1349@dole.gov.ph or via direct message to DOLE’s Facebook Page. (PNA)

DOST-Day Care Center receives school equipment from the Metrobank Foundation, Inc.

DOST Assistant Secretary and DOST-wide GAD Focal Person Diana L. Ignacio, DOST Secretary Renato U. Solidum Jr., Metrobank Foundation, Inc. President Aniceto M. Sobrepeña, and Metrobank Foundation, Inc. Excellence Awards Unit Head Kenny Ralph S. Fernando (L-R), welcome the donations to the DOST Day Care Center as the students were granted school equipment to advance and improve their learning. (Photo by Henry A. De Leon, DOST-STII)

The Department of Science and Technology (DOST) was fortunate to receive school equipment from the Metrobank Foundation, Inc. for its DOST-Day Care Center (DDCC) through the initiative of DOST Secretary Renato U. Solidum Jr., who converted his token of appreciation into a donation. The turnover took place at the DDCC building in the DOST Bicutan Compound, Taguig City, on 13 December 2023.

The donated school equipment includes two flat-screen televisions, one refrigerator, one portable speaker, and seven tablets, aiming to advance and improve the education system, specifically the children's learning habits.

With the optimistic goal of prioritizing the needs of DDCC students, Secretary Solidum converted his reward as one of the judges in the 2023 Metrobank Foundation's Search for Outstanding Filipinos into the school equipment.

"I also remember that to develop science, technology, and innovation in our country, which will be the key to change our nation, it is important to provide an answer to the question of how we can encourage the young generation to involve themselves in science and technology. So, I have been asked for a long time, and my answer was to

start with children, specifically toddlers, kindergarten, or nursery," emphasized Secretary Solidum.

According to the science chief, he was beyond grateful to extend Metrobank Foundation's generosity to the DDCC students. "Definitely, this is one of the happiest moments in my life, remembering and helping the children. Because it's a chance for them to benefit from technology and learn from it," the Secretary said.

Meanwhile, Metrobank Foundation, Inc. president Aniceto M. Sobrepeña revealed the selfless act of the DOST Secretary in choosing to share his reward, serving as their corporation's appreciation for its two-day hard work in carefully and thoroughly selecting the Most Outstanding Filipinos.

"We make sure that we honor our distinguished jury members. He immediately chose you (DDCC). The DOST Secretary willingly donated his reward publicly. Very selfless," Metrobank President Sobrepeña affirmed.

In his message, he requested the constant support of DOST Secretary in the search for Most Outstanding Filipinos, especially in the category of teachers, particularly to encourage more applicants from the Philippine Science High School System (PSHSS).

Other partnerships and collaborations that will strengthen the synergy of

Metrobank and DOST are expected to be implemented by Metrobank. "We'll be happy to work with DOST to further implement our advocacy. What else can we do and help? We are not that enormous, but we are one of the most active foundations in the whole country," Metrobank President Sobrepeña added.

The DOST secretary also looked forward to the significant results of having more partnerships and collaborations with Metrobank to develop opportunities for the country. "I think this is our way of showing and expressing the bayanihan spirit of the Filipino. If we work together for the common good, we will transcend all the hurdles that the Philippines seems to be facing," Secretary Solidum expressed.

The DDCC learning environment was launched this year for the five students after its building's major renovation. It served as one of DOST's gender mainstreaming initiatives to help DOST personnel ensure the continued care of their children while they are at work. Upon receiving the support, the DDCC management hoped to be fully operational next year, and with the donation, they are expecting a greater number of children could avail of better education in their foundation years. PH JOINS JAPAN IN CONDEMNING N. KOREA'S BALLISTIC MISSILE LAUNCH - PBBM

President Ferdinand R. Marcos Jr. joined the Association of Southeast Asian Nations (ASEAN) on Monday in condemning North Korea's action to reportedly fire an intercontinental ballistic missile toward the Sea of Japan.

"We join Japan, together with the rest of the ASEAN, in condemning the continued threat that the launching of ballistic missiles by the DPRK [Democratic People's

Republic of Korea] represents," President Marcos said.

The President made the remarks prior to his speech during the meeting of Asia Zero Emission Community (AZEC) leaders at the Prime Minister's Office in Tokyo, Japan as part of the 50th Commemorative ASEAN-Japan Friendship and Cooperation Summit.

"As we speak on economic progress in our region, we found these aspirations on a peaceful and stable Indo-Pacific Region. So, such dangerous and provocative actions by the DPRK threaten and destabilize the region and the world," he added.

North Korea reportedly fired a long-range ballistic missile, which supposedly fell into the sea, west of Hokkaido, according to Japan's coast guard. | PND

ORDER

Before this Court is a Petition for Correction of Entries filed by the petitioner through her counsel, Atty. Frederick Fermin H. Magtibay, praying that after due notice, publication, and hearing an Order be issued directing respondent the Local Civil Registrar of Naic, Cavite to correct the Certificate of Live Birth under Registry No.94-1239 to state petitioner's middle initial "M" and to correct the name of petitioner's mother from Teodora B. Alvarez to Teodora M. Alvarez.

Petitioner alleged that she was born, to parents Teodora Magbago Alvarez and Lodrigario G. Bigalbal and was legitimated by subsequent marriage of her parents. Accordingly, petitioner's name being Kaycee Magbago Alvarez, however, to their surprise, her Certificate of Live Birth instead stated the name of Kaycee B. Alvarez. In addition, the said certificate also erroneously stated petitioner's mother as Teodora B. Angeles instead of Teodora M. Alvarez.

Finding the petition to be sufficient in form and substance, hearing is hereby set on 05 December 2023 at 2:00 o'clock in the afternoon.

Any interested person who wishes to comment and/or oppose the petition may, within fifteen (15) days from notice of the petition, or from the last date of publication of such notice, file his/ her opposition thereto.

At petitioner's expense, let a copy of this Order be published once a week for three (3) consecutive weeks in a newspaper of general circulation in the Province of Cavite.

Furnish a copy of this Order to parties, counsel, to the Office of the Solicitor General (OSG), to the Local Civil Registrar of Naic, Cavite, and the Philippine Statistics Authority.

Bus operators urged to ensure passengers safety during holiday rush..from page 1

of goodwill during this joyous time," he said.

Guadiz reminded that violating LTFRB regulations and other relevant laws may result in heavy fines and penalties such as suspension of their franchise.

"Failure to comply with these regulations poses a significant risk to the well-being of passengers and will not be tolerated. Bus operators are hereby warned that any lapses in ensuring the safety and security of the riding public may result in severe sanctions," he added.

Guadiz also encouraged

operators with terminal facilities to set up online ticketing and dispatching, assistance counters, priority lanes, accessibility ramps for persons with disabilities (PWD), concrete flooring on the entire terminal and other measures required by the government.

He also warned operators against "overloading, overcharging and using colorum vehicles."

Overloaded PUVs, he added, are dangerous to passengers, drivers and conductors.

Guadiz called on the public to avoid colorum or

unregistered PUVs as these lack proper insurance and did not undergo safety standards checks as part of PUV registration.

"Passengers might face difficulties in claiming compensation or medical assistance in the absence of authorized and regulated services. It's crucial to prioritize safety by choosing legally authorized transportation options," he said.

On the other hand, Guadiz said operators and drivers of colorum PUVs face sanctions such as impounding of involved vehicles, blacklisting and revocation of their cer-

tificate of public convenience (CPC), as well as their vehicle registration.

He asked commuters and the public to reach out to the LTFRB through its hotline 1342 to file complaints related to these illegal activities.

To ensure a sufficient number of PUVs during the holiday season, the LTFRB chief said 1,080 special permits have been issued to bus operators, allowing them to increase the number of their PUVs operating during the period.

These special permits are valid beginning Dec. 15 until Jan. 14, 2024. (PNA)
