MANILA – The Department of Social Welfare and Development (DSWD) on Wednesday welcomed Presi-

dent Ferdinand R. Marcos Jr.'s approval of the Pantawid Pamilyang Pilipino Program's (4Ps) expanded cash grant as

“incentive” for poor pregnant and lactating women.

In a sectoral meeting in Malacañang on Tuesday, Pres-

ident Marcos gave his go-signal for the DSWD's proposal to include a First 1000 day-grant for the 4Ps beneficiaries

who are pregnant, nursing, or those with two-year-old children.

“The President gave us

instructions on how we can improve the lot of our pregnant and

ARAW NG KALAYAAN SA CAVITE

Pinangunahan ng bayan ng Kawit ang sabayang pagtataas ng watawat kasabay ng pagdiriwang ng Araw ng Kalayaan ngayong araw, Hunyo 12. Kabilang sa mga lumahok sa pagtataas ng watawat sina Senador Ramon Revilla Jr., Gobernador Jonvic Remulla, at Kawit Municipal Mayor Angelo Aguinaldo. Sa kanyang mensahe, binigyang pugay ni Revilla ang katatagan ng mga Filipino sa harap ng mga pagsubok. “Anumang hagupit ng tadhana, hindi nagpatinag ang lahat long Filipino na pinanday ng panahon.” Patuloy pa ng mambabatas: “Huwag nating hayaan na mapunta sa wala ang buhay na isinakripisyo ng ating mga ninuno sa ngalan ng mga tinatamasa natin ngayon.” | screengrab from Kawit Public Information Office, Cavite Press Corps, Ruel Francisco - PIA Cavite, Patricia Bermudez - PIA CALABARZON #BagongPilipinas #Kalayaan2024#KalayaanKinabukasanKasaysayan#ArawNgKalayaan

Prelate to Filipinos: Pray for leaders, help defend freedom

MANILA – A prelate on Monday called on the faithful to pray for the country's leaders to act prudently to preserve the Philippines' independence amid geopolitical tensions and other issues.

“Una ipagdasal po natin na maging maingat tayong lahat, ipagdasal natin ang ating mga leaders na sana maayos ang pamumuno nila na hindi sila magpadala sa kanino man at ganun din po magsikap din tayong pahalagahan ang independence natin (First, let us pray for all of us to be fine, let's pray for our leaders for them to be circumspect in their acts of governance,

for them not to be swayed by whoever and as for us, let's work hard to value our independence),” said Bishop Broderick Padillo, head of the Catholic Bishops' Conference of the Philippines (CBCP)-Office on Stewardship in an interview with Church-run Radio Veritas.

Ahead of the country's Inde-

pendence Day commemoration on June 12, the prelate also called on Filipinos to stand for the country's interests.

“Yan po ay biyaya ng Diyos na kailangan nating pangalagaan kaya't tayo po ay katiwala din ng kanyang biyaya, lalong lalo na sa ating panahon

ngayon na mayroon ng nakakabahala yung ating problema sa China, baka masangkot tayo sa gulo at mawala ang indepen-

dence natin (This is a gift of God that we must protect, especially now we have a disturbing problem with China, we might be caught in

PBBM declares June 17 regular holiday for Eid'l Adha

MANILA – President Ferdinand R. Marcos Jr. has declared June 17 a regular holiday to give way to the observance of Eid al-Adha, or the "Feast of Sacrifice."

Executive Secretary Lucas Bersamin signed Proclamation 579 on Tuesday declaring the holiday nationwide.

The proclamation was issued upon the recommendation of the National Commission on Muslim Filipinos based on the 1445 Hijrah Islamic Lunar Calendar.

Under Republic Act 9848, the 10th day of Zhul Hijja, the 12th month of the Islamic Cal-

endar, is a national holiday for the observance of Eid'l Adha, with a movable date.

Eid'l Adha is the second major festival for Muslims after Eid al-Fitr, which is celebrated at the end of Ramadan, the holy month of fasting.

It commemorates Prophet Abraham's willingness to sacrifice his son as an act of obedience to God's command. (PNA)

DSWD welcomes 4Ps grant expansion..from page 1

lactating mothers, especially our poorer mothers," Social Welfare Secretary Rex Gatchalian, who attended the sectoral meeting, said.

He added that the additional grant for the 4Ps program will serve as an incentive for the target beneficiaries to avail of health services and will address malnutrition and stunting in the country.

"This will serve as an incentive for them to have this what we call health-seeking behavior which means they will be motivated to go to the health center, register, avail of pre- and post-natal care, and post-partum treatment, including immunization for their 0 to 2-year old children," he said.

Gatchalian added that the proposed grant will only be for 4Ps subset beneficiaries who are pregnant, nursing, or those with 0 to 2-year-old children and is just temporary until such time that they have passed through the stage.

The DSWD serves as the chair of the Inter-Agency Task Force on Zero Hunger (IATF-ZH) which has been directed by the President to prioritize the implementation and monitoring of nutrition-specific and nutrition-sensitive programs to address food insecurity in the country.

During a sectoral meeting last Feb. 20, President Marcos instructed the DSWD to work with concerned agencies, particularly with the National Economic and Development Authority and Philippine Statistics Authority, to sharpen the DSWD proposal.

Under the DSWD's 4Ps program, a household beneficiary receives cash aid on the condition that their children attend school and are brought to health centers for their monthly medical check-up.

Household beneficiaries of 4Ps with elementary students receive PHP300 per child per month for 10 months; PHP500 per child per month for 10 months for junior high school; and PHP700 per child per month for 10 months for senior high school.

Households also get PHP750 per month for 12 months pro-

vided that their children aged two to 14 years old undergo a growth development and monitoring program and deworming. Families are also required to attend the monthly family development sessions (FDS).

The Malusog at Matalinong Bata Coalition (MMB Coalition), an alliance of advocacy groups, academics, and nutrition advocates committed to fighting stunting in the Philippines through policy reforms, has expressed its support for the DSWD proposal.

The MMB Coalition described stunting as a critical condition where children suffer from restricted growth and cognitive development due to malnutrition. Its more profound impact is on cerebral development, with 80 percent of brain growth occurring by the age of two and 90 percent by the age of five.

The group also cited that stunting currently affects approximately 26.7 percent of Filipino children between infancy and five years of age. (PR)

MANILA – Taiwan has extended its visa-free entry program for Philippine passport holders until July 31, 2025.

The announcement was made by the Taiwan Ministry of Foreign Affairs-Bureau of Consular Affairs on June 4, renewing for another year its "trial visa-free entry" for nationals of its "New South-bound Policy" partners, including Thailand and Brunei.

"After evaluating the effectiveness of the above measures over the past years, participating agencies decided to extend the trial visa-free entry program for one year for nationals of Thailand, Bru-

nei, and the Philippines from August 1, 2024, to July 31, 2025," it said in an advisory.

The Taiwan MOFA said it will continue to review and fine-tune its visa policies to attract more visitors while ensuring border and public security.

"MOFA will also continue to communicate with the governments of related countries to enhance visa treatment for Taiwan nationals and make their overseas travel more convenient," it said.

Filipinos were first included in Taiwan's pilot visa-free scheme in November 2017, allowing them to stay visa-free in Taiwan for at least 14 days. (PNA)

**SANGAY NG PHILIPPINE
GENERAL HOSPITAL,
NAKATAKDANG ITAYO SA
CARMONA CITY**

Plano ng Philippine General Hospital (PGH) na makapagtayo ng sangay nito sa lungsod ng Carmona upang mas mailapit pa ang mga serbisyo ng kanilang pagamutan sa lalawigan.

Noong Biyernes, Hunyo 7, nakipagpulong si Cavite Fifth District Representative, Atty. Roy Loyola, kina Gobernador Jonvic Remulla at mga kinatawan ng PGH sa pangunguna ni UP-PGH Presidente Angelo Jimenez. Layon nitong isapinal ang Memorandum of Agreement (MOA) para sa pagpapatayo ng PGH City Carmona.

Oras na matapos ang konstruksyon nito, ang PGH City of Carmona ang unang branch ng nasabing pagamutan. Inasahang mababawasan nito ang case load ng PGH Manila at makakatu-long sa healthcareinfrastructure sa rehiyon.

Pinasinayaan ang PGH noong Setyembre 1910, alinsunod sa Act No. 1688 ng Philippine Commission. Sa kasalukuyan, ito ang pinakamalaking tertiary government hospital sa bansa kung saan mahigit 600,000 pasyente ang nagpapagamot taun-taon. | via Atty. Roy M. Loyola

DOTr begins work on NSCR Banlic Depot in Calamba

MANILA – The Department of Transportation (DOTr) on Thursday broke ground for the North-South Commuter Railway (NSCR) System’s Banlic Depot in Calamba, Laguna.

During the groundbreaking ceremony, DOTr Secretary Jaime Bautista said the Banlic Depot signals the “rapid progress” of the project after its land development and other preparatory works began in 2023.

“We mark the significant progress since June last year in land development and other preparatory works such as geotechnical investigation, fencing, clearing, erecting temporary project site offices and access roads,” he said.

The depot, part of Contract Package (CP) S-07 of the NSCR, covers an area of 24.5 hectares and consists of a control center, stabling yard, maintenance shop, and other ancillary buildings.

CP S-07 is worth PHP16.9 billion and is scheduled to be completed in 2028.

“For residents of Banlic and

adjacent communities, the NSCR will not only enhance connectivity but also transform their socio-economic status by providing rapid mobility for people and goods,” Bautista said.

Meanwhile, he also called on project contractors of the NSCR to give special consideration to the safety of their workers.

“I therefore urge our contractors – the joint venture of Hyundai Engineering and Dong-Ah Geological Engi-

neering – as well as other contractors building the various segments of the NSCR, to always focus on safety throughout the construction sites,” he said.

He said a delay with no record of an accident at the workplace is more acceptable than having workplace casualties.

“Of course, on-time completion with no accident is better,” he said.

Co-financed by the Asian

Development Bank and the Japan International Cooperation Agency, the 147-kilometer NSCR system will connect Pampanga, Bulacan, Metro Manila and Laguna via railway.

Once operational, the NSCR is seen to reduce travel time from Clark, Pampanga to Calamba, Laguna to less than two hours and accommodate 800,000 passengers daily. (PNA)

P100k reward offered for capture of Palawan ex-Gov

IN its continuing pursuit for justice for fallen members of the press, a P100,000 reward is being offered by the government for anyone who can provide solid information leading to the arrest of former Palawan governor, Joel Reyes, the identified mastermind in the 2019 murder of Puerto Princesa City broadcast journalist, Gerardo Valeriano ‘Doc Gerry’ Ortega. Usec. Paul M. Gutierrez, executive director of the Presidential Task Force on Media Security (PTFoMS), said the reward money would come from the Presidential Anti-Organized Crime Commission (PAOCC) under Usec. Gilbert Cruz.

“Since my assumption into office, the PAOCC has been a strong supporter of the PTFoMS’ activities. In the case of Doc Gerry, Usec. Cruz and I agreed that his killing has already dragged on far too long. Justice has been denied to him and his family far too long,” Gutierrez said. He stressed that the murder of Ortega and other slain journalists, remain a priority of the Marcos administration thru the PTFoMS.

With the reward offer, Gutierrez expressed confidence it will bolster the efforts in the manhunt and subsequent arrest of Reyes, who has been in hiding since last year after the Supreme Court cancelled his bail and ordered him re-arrested to face trial for the killing of Ortega. The PTFoMS head also called on other civic-minded citizens and those advocating for justice to put their money where their mouth is by contributing to the reward.

“While any act of violence, especially murder, deserves condemnation, it is not enough. Let us all work together in proving that no one is above the law by raising the reward for the arrest of Reyes,” Gutierrez said. The official also bared that last June 10, 2024, he met with the private counsels of the Ortega family, together with representatives from the office of Department of Justice (DOJ) secretary, Jesus Crispin Remulla, to discuss the developments in the case.

Based on experience, Gutierrez noted that the offer of reward money incentivized people to step forward and give information to the whereabouts of suspects leading to their arrest.

Gutierrez was referring to the cases of Misamis Occidental radioman Juan “DJ Johnny Walker” Jumalon and, Kidapawan broadcaster Eduardo “Ed” Dizon, where the public coordinated and eventually provided details on the whereabouts of the gunmen in these killings that led to their arrest.

Jumalon’s gunman Julieta Mangumpit, also known as “Ricky,” was arrested last April 29, 2024 in Dipolog City, while Junell Jane Andagkit Poton, alias Junell Gerozaga was nabbed last May 2, 2024 in Kidapawan City.

To demonstrate the government’s good faith, Gutierrez personally handed the reward money to the informants who were instrumental to the arrest of the suspects.

Gutierrez also appealed to Reye to turn himself in and respect the country’s judicial process.

“As a former high official of the government, it is incumbent on Reyes to demonstrate his respect for the rule of law and our country’s judicial system. His continued hiding only strengthens the impression that he is guilty of the crime imputed on him.”

Ortega, a staunch critic of the corruption in the province under Reyes, particularly on the alleged embezzlement of Palawan’s share in the Malam-paya fund, was gunned down outside a local store in Puerto Princesa City last January 4, 2011. The investigation subsequently pointed to Reyes as the mastermind.

Reyes, along with his brother, Mario, the mayor of Coron, fled the country in 2012 to evade arrest but was arrested in Thailand in 2015.

Both somehow managed to get themselves freed on bail in 2018 and both ran for public office in the 2022 elections where Reyes lost as governor. Last year, the Supreme Court ordered the re-arrest of Reyes and the continuation of the Ortega murder trial.

Early this year, it was announced that the Supreme Court Second Division granted Reyes’ motion to transfer the venue of the trial at the Quezon City Regional Trial Court.

On the other hand, the camp of Ortega filed a motion for reconsideration opposing the transfer of venue. ###

Austria funds therapeutic workshops for Filipino sex abuse survivors

MANILA – The Austrian Embassy in Manila has earmarked PHP316,000 in grant to fund various therapeutic workshops for Filipino sexual abuse and online exploitation victims.

Austrian Ambassador to the Philippines Johann Brieger and the Philippine Survivor Network (PSN) signed the grant agreement for the Project BRACE or Building Resilience and Agency through Crafts and Expressive Arts at the Austrian Embassy last June 6.

In a statement on Thursday, the embassy said the grant would cover a series of therapeutic workshops that will help PSN members explore their emotions and express themselves creatively through pottery, photography and painting.

PSN members consist of survivors of online sexual exploitation, sexual abuse and commercial sexual exploitation.

“Through this project, we express Austria’s commitment to amplifying survivor voices and its inherent patronage of the arts – and how it’s possible to combine those passions to powerfully impact public understanding of online sexual exploitation and the larger issue of human trafficking,” Brieger said.

“We look forward not only to the art that would come out of this, but also to the positive impact this will have for sur-

vivor leaders from the PSN,” he said.

The embassy also believes that through the transformative power of art, the victims could “reclaim their voices and rewrite their narratives.”

The PSN chairperson, who goes by the pseudonym “Charito” to protect her identity as a survivor of human trafficking, signed the agreement.

“This is a historic moment for the Philippine Survivor Network as this is the first grant we are receiving directly as a network. I am honored to receive it on behalf of the PSN, especially because it is a project that I and my fellow survivor leaders really need today,” she said.

“It will help us continue healing from our trauma triggers, which would help us advocate for further protection from, and prevention of, online sexual exploitation of children and other forms of human trafficking.”

The Austrian Embassy is the PSN’s first grant-funding partner since the network was launched in February 2023.

Art from the workshops will be displayed for public viewing in digital and physical spaces. (PNA)

conflict and we might lose our independence),” he added.

Pabillo is referring to China’s aggressive actions against Philippine forces in the West Philippine Sea.

He also hoped that Manila’s actions would be independent from the influence of other nations.

Over 11.6K cops to secure Independence Day

On Monday, the Philippine National Police (PNP) said more than 11,000 police officers would secure the celebration of the country’s 126th Independence Day.

“We would deploy around 11,692 officers in various areas where activities would be held, including areas outside Metro Manila. We expect that the provinces and regions

would also have their own Independence Day celebrations and our deployment would see adjustments depending on the situation in the coming days,” PNP spokesperson Col. Jean Fajardo said in a press briefing. Fajardo said police officers would be augmented by personnel from other agencies such as the Bureau of Fire Protection, Bureau of Jail Management and Penology, Armed Forces of the Philippines, and the Philippine Coast Guard.

She said local disaster risk reduction and management offices have also deployed personnel to secure these activities.

This year’s Independence Day celebration carries the theme “Kalayaan. Kinabukasan. Kasaysayan”. (with Lloyd Calivan/PNA)

PANATA SA BAGONG PILIPINAS

Bilang Pilipino, buong pagmamalaki kong isasabuhay ang Bagong Pilipinas

Buhay sa aking dugo ang lahang dakila, magiting at may dangal

Palaging dadalhin sa puso, isip at diwa ang aking pagmamahal sa kultura at bayang sinilangan;

Kaisa ng bawat mamamayan, iaalay ko ang aking talino at kasanayan sa pagpapaunlad ng aking Bayan;

Taglay ang galing na naaayon sa mga pandaigdigang pamantayan;

Magiging instrumento ako sa pagsulong ng kagalingan, karunungan at kapayapaan.

Makikiisa at makikilahok ako sa mga adhikain ng pamahalaan dahil ang kaunlaran ay hindi lamang responsibilidad ng illan.

Isusulong at pangangalagaan ko ang karangalan, kalayaan at interes ng aking bayang minamahal;

Bilang Pilipino na may pagmamahal, pakialam at malasakit: hindi makasarili kundi para sa mas nakararami; tatahakin ko ang landas tungo sa isang Bagong Pilipinas!

DOST Caraga elevates economic opportunities at RSTW

THE Department of Science and Technology (DOST) Regional Office XIII (Caraga) proudly launched its Regional Science and Technology Week (RSTW) that will be held from June 6-9, 2024, at the North Atrium of the Robinsons Butuan in Butuan City.

With the theme "Innovate for Impact: Transforming Caraga's Fishery, Agroforestry, Mining, and Ecotourism Economy through Science, Technology, and Innovation," this year's RSTW promises to be a landmark event, focusing on the transformative potential of science and technology in the region's key economic sectors, particularly in fishery, agroforestry, mining, and ecotourism.

The event aims to foster growth and sustainability through an array of sessions, forums, and activities, where participants will delve into the latest advancements, innovations, and strategies that can propel Caraga towards a more prosperous future.

The three-day event commenced with a warm welcome message from Hon. Ronnie Vicente C. Lagnada, Mayor of Butuan City, which was delivered by Butuan City Councilor and chair for the Committee on Science and Technology, Hon. Cherry Mae G. Busa.

In her address, Ms Busa underscored the importance of transforming the city into a smart and sustainable urban area, with a particular focus on strengthening the agro-fishery sector. She also highlighted the immense potential of DOST programs in shaping a brighter future for the region.

Engr. Sancho A. Mabborang, who is the Undersecretary for Regional Operations of the DOST, delivered an inspiring opening message, stressing the importance of embracing innovative technologies and DOST programs to support Caraga's economic sectors. He elaborated on how the integration of advanced science and technology initiatives can significantly bolster the fishery, agroforestry, mining, and ecotourism industries; and drive sustainable development and economic growth.

Engr. Mabborang emphasized that these innovations, aligned with DOST's four pillars, are crucial in addressing regional challenges and opening up new opportunities for Caraga.

MANILA – The southwest monsoon or "habagat" will bring cloudy skies and scattered rains in several parts of Luzon, the weather bureau said Saturday. In its 4 a.m. bulletin, the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) forecast cloudy

Hon. Maria Angelica Rosedell M. Amante, Governor of the Province of Agusan del Norte, who was represented by Hon. Board Member Erwin Dano, also discussed the significant role of the fishery, agroforestry, mining, and ecotourism sectors in the region's economy and how DOST initiatives are pivotal in transforming these sectors through science, technology, and innovation.

A key highlight of the event was the signing of several Memoranda of Agreement (MOA) and Memoranda of Understanding (MOU), including agreements for the Caraga Food Innovation Consortium, CSU Forest Production Innovation and Testing Hub, CSU TARA Agri-Aqua Technology Business Incubator, ASSCAT Technology Business Incubator, RDLead for FSUU and NEMSU, and the Caraga RISE TBI Consortium. These agreements aim to foster collaboration and drive innovation across the region's key sectors, paving the way for significant advancements and growth.

Additionally, the event

featured a commitment signing for the Smart and Sustainable Cities and Communities Program, reinforcing the region's dedication to sustainable development.

Outstanding adopters of the Small Enterprise Technology Upgrading Program (SETUP) were also recognized for their exemplary use of technology to enhance their enterprises and contribute to regional development.

Engr. Noel M. Ajoc, Regional Director of DOST-CARAGA, introduced the keynote speaker, DOST Secretary Renato U. Solidum Jr.

In his keynote address, Dr. Solidum discussed the vital role that DOST programs and initiatives play in advancing Caraga's priority sectors, as he emphasized the importance of science, technology, and innovation as driving forces for regional development.

Dr. Solidum also highlighted specific examples of how DOST's initiatives will transform the fishery, agroforestry, mining, and ecotourism sectors in Caraga, illustrating the tangible benefits and future potential of these programs.

He also called for con-

tinued collaboration to harness the full potential of technological advancements to reinforce the commitment to build a more sustainable future for the Caraga region.

Throughout the celebration, a diverse range of sessions, forums, and activities will be held, each meticulously designed to foster the growth of Caraga's priority sectors. Attendees will be afforded a unique opportunity to interact with industry experts, delve into cutting-edge innovations, and partake in discussions aimed at harnessing the potential of science, technology, and innovation to propel economic and sustainable development in the region.

As the 2024 RSTW unfolds in Caraga, it has emerged as a pivotal event uniting stakeholders, innovators, and the broader community. Serving as a platform to showcase the transformative influence of science and technology, it reinforces the collective dedication to craft a resilient and prosperous future for the Caraga region through collaborative endeavors and forward-thinking solutions.
